

2024 Society Meeting Trustee Report

“Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!” 2 Corinthians 5:17.

Just the other day I was joking with friends about how our beautiful house of worship was once a restaurant/bar. The conversation may have ended there, but it made me realize how awesome it is to serve a God of second chances and his mercies are new every day.

Building and land highlights from the past year:

1. Prayer Trail progress.
 - “Many hands make light work” we are a few work parties away from completion.
2. Acquired a portable generator.
 - we now have a portable generator ready for use in the event of an emergency.
3. Carpet cleaning.
 - a shout out to Shelly, Janet, and Emily for deep cleaning sanctuary carpet.
4. Installation of basement HVAC system.
 - Labor and installation of a mini split system in basement was donated by a couple of our men
5. We’ve had more sacrificial giving of time and resources to complete jobs around the property, but are always looking for other who want to use their gifts to serve.

A couple concerns going forward:

1. Cleaning service. We are blessed to have DeAnna LaBelle employed as our cleaning person. However, she only comes once a week so if you are using the church space, please tidy up when you are done.
2. Snow and ice removal. Kevin Hoffman and his company will again be plowing and salting our parking area. It will be up to us to keep walkways clear and safe. Shovels, salt, and a spreader will be available under the roof overhang on the patio.

Thank you for supporting me during my term as trustee and I look forward to working with Tim Eldred as he steps into this ministry position.

Faithfully in Christ,

Scott Davis
Trustee
